Who are we?

Friends of the Chiloquin Library is a non-profit organization with the focus of supporting our public library and stimulating the use of the library's resources and services; developing library services and facilities for the community; support the freedom to read as expressed in the American Library Association Bill of Rights; and to encourage reading in the community through activities and events for all ages.

Friends of the Chiloquin Library was first formed on March 2, 1980. The originating officers were nominated, and then elected at their first official meeting on April 2, 1980. As of January 1, 2024, a new Board of Directors came into office and we so appreciate the all the work, dedication and commitment that has preceded us. We are very excited to have the opportunity to continue supporting our public library. We have several events planned throughout the year including a variety of activities, community events and performances.

Membership Dues are just \$2.00 per person, per year. Without the support of the FoCL Membership, many of our goals could not be met.

Here are just a few of the benefits of becoming a member of FoCL:
